Administrator's Guide to The Use Of Volunteer Teachers

Charles E Kozoll

Administrator's guide to the use of volunteer teachers
The purpose of this guide is to assist and support school administrators in the implementation of Energizing Ontario Education and put the strategies of Ontario's Volunteering into practice. It focuses on recruiting and organizing parent help and teachers in the classroom. Today's schools have no choice but to use as many resources as possible. Teachers and administrators face two challenges with parental volunteers.
