Martin Luther: A Brief Introduction To His Life And Works

Paul R Waibel
Martin Luther was born to peasant stock on November 10, 1483 in Eisleben in Germany. In 1510, Luther traveled as part of a delegation from his monastery to Rome. Hans Luther was determined that his son be well-educated, and his hard work in the copper mines financed the younger Luther's education. An introduction suitable for readers new to the Reformation.
