Literary transformation in post-Carolingian saints' offices: using all the evidence

Distributed in the Medieval Italy: An Encyclopedia - Google Books Result

Hagiography - Oxford Islamic Studies Online

6 Nov 2015. Hagiography is the study of the saints and particularly the study of the genre of medieval writing that recounted the saints' lives - the deeds and miracles of the saints. The few texts which admit importing episodes from the lives of other saints are mostly either medieval manuscripts or early modern dialogues.
